The *Harvest Moon: One World Collector's Edition* includes a chicken plushie and a music diorama that features an original song, "Spring on the Beach" from the game. The diorama depicts a scene from the game with the male and female main characters and animals set to music. The characters are magnetized and interchangeable. The animals rotate while the music plays.

"Hardcore *Harvest Moon* fans will not want to miss out on the *Harvest Moon: One World Collector's Edition*," said Hiro Maekawa, President and CEO of Natsume. "Players have been collecting our limited edition plushies for many years, and it's always fun for us to select and design the plushie for each game. The chicken plushie is an iconic addition for collectors and the music diorama is our special way of celebrating the new feature of a portable farm in *Harvest Moon: One World*."

A New *Harvest Moon* with Global Appeal! Take a trip around the world in the latest entry in the long-running *Harvest Moon* series! You'll ride camels across the deserts of Pastilla, venture deep into the snowy mountains of Salmiakki, and even visit a volcano near the cozy mountain town of Lebkuchen!

Can you imagine a world without cabbage, tomatoes, or even carrots? Believe it or not, that's the world you'll find yourself in at the beginning of *Harvest Moon: One World*, as the Harvest Goddess, the queen of crops herself, has vanished...

However, before the Harvest Goddess disappeared from this world, she imbued the tiny Harvest Wisps with the knowledge of various seeds, thus ensuring the various fruits and vegetables of the world would not be lost. Using the power given to these Harvest Wisps, you'll unlock various seeds as you progress through the game! But the Harvest Wisps can be tricky to find, as they all appear at different times and places. You'll need to use your noggin to make sure you seek out as many of them as you can!

- Explore 5 unique and colorful areas: the sprawling grasslands of Calisson, the gorgeous beaches of Halo Halo, the searing desert heat of Pastilla, the cozy hills of Lebkuchen, and the snowy mountains of Salmiakki!
- Play as a boy or a girl and woo one of 5 handsome bachelors and 5 beautiful bachelorettes, each with their own unique personality and backstory!
- Raise and keep animals such as cows, sheep, goats, and even reindeer!
- Use your Expando-Farm to easily travel from one area to another!

###

Harvest Moon: One World Collector's Edition contains:

Harvest Moon: One World Game for Nintendo Switch OR PlayStation 4

Harvest Moon Chicken Plush

Plush Dimensions: 5" Length x, 4" Width x 5" Height

Magnetic Musical Diorama Set

Base Dimensions: 4.5" Height, 8" Diameter

This amazing battery-powered diorama includes 5 interchangeable magnetic characters: male main character, female main character, cow, sheep, and chicken! The base of the diorama also features a barn! Simply place the magnetic characters where you like them, and the outer ring of the diorama will rotate when it is turned on. The diorama also plays "Spring on the Beach" when it is turned on, an original song from Harvest Moon: One World!

About Harvest Moon:

The first game in the series was released in North America in 1997 and has continued to see a steady rise of popularity and players, making it one of today's most beloved franchises. *Harvest Moon* is revered for being a non-violent, family-oriented game for everyone, and there have been more than 31 games released in the series. A full history of the games in the franchise [can be seen here](#).
